

DF 4065

Manual Copy Routing Machine

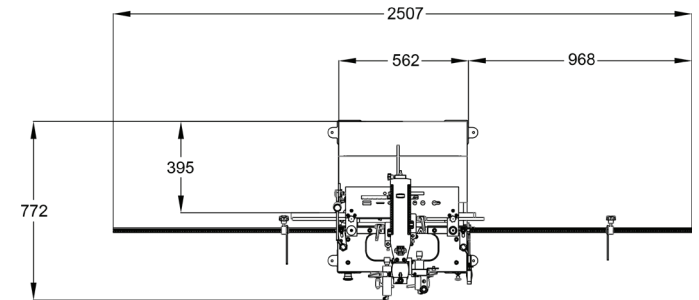

- Manual control with the guideness of tracking tip.
- Copy routing with 1:1 ratio template.

- Practical height adjustment with rotating support stoppers.

General Features

- Opens the espagnolette canal, lock and barrel slot holes on the aluminum profiles.
- The copy routing motor is easily operated with one button.
- Thanks to the support mills, the canals are opened without template.

Optional Equipments

- MR 100 Centering Device
